Table S23: Study List and Question List for dataset 1 - List Strength Effect

List Strength Effect (Repeated first sentence, Fan Value: 2)	
Study List	The actor is in the airport. The actor is in the airport. The actor is in the airport. The actor is in the airport. The actor is in the airport. The actor is in the airport. The actor is in the attic. The chef is in the airport. The chef is in the attic. The coach is in the bank. The coach is in the barn. The cowboy is in the bank. The cowboy is in the barn. The dancer is in the castle. The dancer is in the church. The detective is in the castle. The detective is in the church. The doctor is in the clinic. The doctor is in the factory. The engineer is in the clinic. The engineer is in the factory. The farmer is in the garage. The farmer is in the hallway. The gardener is in the garage. The gardener is in the hallway. The hippie is in the hotel. The hippie is in the kitchen. The inventor is in the hotel. The inventor is in the kitchen. The judge is in the laboratory. The judge is in the library. The maid is in the laboratory. The maid is in the library. The musician is in the museum. The musician is in the nightclub. The pilot is in the museum. The pilot is in the nightclub.
Question List	Is the actor in the airport? Is the coach in the bank? Is the chef in the airport? Is the cowboy in the barn? Is the actor in the attic? Is the coach in the barn? Is the cowboy in the bank? Is the chef in the attic? Is the detective in the castle? Is the doctor in the clinic? Is the dancer in the church? Is the engineer in the clinic? Is the dancer in the castle? Is the doctor in the factory? Is the detective in the church? Is the engineer in the factory? Is the farmer in the garage? Is the hippie in the kitchen? Is the inventor in the hotel? Is the gardener in the hallway? Is the hippie in the hotel? Is the farmer in the hallway? Is the inventor in the kitchen? Is the gardener in the garage? Is the musician in the museum? Is the judge in the library? Is the maid in the laboratory? Is the pilot in the nightclub? Is the judge in the laboratory? Is the musician in the nightclub? Is the pilot in the museum? Is the maid in the library? Is the actor in the garage? Is the coach in the hotel? Is the chef in the garage? Is the cowboy in the kitchen? Is the actor in the hallway? Is the coach in the kitchen? Is the cowboy in the hotel? Is the chef in the hallway? Is the detective in the laboratory? Is the doctor in the museum? Is the dancer in the library? Is the engineer in the museum? Is the dancer in the laboratory? Is the doctor in the nightclub? Is the detective in the library? Is the engineer in the nightclub? Is the farmer in the airport? Is the hippie in the barn? Is the inventor in the bank? Is the gardener in the attic? Is the hippie in the bank? Is the farmer in the attic? Is the inventor in the barn? Is the gardener in the airport? Is the musician in the clinic? Is the judge in the church? Is the maid in the castle? Is the pilot in the factory? Is the judge in the castle? Is the musician in the factory? Is the pilot in the clinic? Is the maid in the church?

Table S24: Study List and Question List for dataset 1 - List Strength Effect

List Strength Effect (Repeated first sentence of Fan 1 Group, Integrated Group)	
Study List	The actor is in the airport, The actor is in the airport, The actor is in the airport, The actor is in the airport, The actor is in the airport, The actor is in the airport, The chef is in the attic, The coach is in the bank, The cowboy is in the barn, The dancer is in the castle, The detective is in the church, The doctor is in the clinic, The engineer is in the factory, The farmer is in the garage, The gardener is in the hallway, The hippie is in the hotel, The inventor is in the kitchen, The judge is in the laboratory, The maid is in the library, The musician is in the museum, The pilot is in the nightclub, The pirate is in the office, The queen is in the park, The scientist is in the school, The sheriff is in the prison, The pirate is in the park, The queen is in the office, The scientist is in the prison, The sheriff is in the school, The teacher is in the temple, The tourist is in the theater, The soldier is in the stadium, The spy is in the studio, The teacher is in the theater, The tourist is in the temple, The soldier is in the studio, The spy is in the stadium
